Copy of letter No.F.4(9)-R.I/39, dated the 9th March 1939, from the Government of India, Finance Department, to the India Office, London.

Subject:-Admissibility of passage concessions under Schedule IV to Superior Civil Services Rules to the adopted child of Mr.T.L.H. Smith-Pearse, M.A., I.E.S. (on foreign service).

I am directed to forward a copy of a letter (with enclosures) No.FS.III-50/5594, dated the 14th December 1938, addressed by the Accountant General, Central Provinces and Berar, to the Auditor General of India, on the subject noted above, and to request that the orders of the Secretary of State for India on the question whether a passage account should be opened in the name of the adopted child of Mr.T.L.H.Smith-Pearse, I.E.S., Principal, Rajkumar College, Raipur, may be obtained.

2. I am to observe that the decision of the Government of India referred to in the Accountant General's letter was based on the position that prevailed before the enactment of the Adoption of Children Act, 1926 (16 & 17 Geo. 5, Chapter 29). As the effect of an adoption order made under that Act is that all rights, duties, obligations and liabilities in relation to the future custody, maintenance and education of the adopted child become vested in, exercisable by, and enforceable against the adopter as though that child were a child born to the adopter in lawful wedlock, the Government of India are of the opinion that a passage account should be opened for the adopted child of Mr. Smith-Pearse.

3. I am to invite attention to the India Office letter No. S.& G.4833/38, dated the 24th August 1938, in which the orders of the Secretary of State in the similar case of the adopted child of Major G.H.Osmaston, M.C., R.E., Survey of India, were conveyed to the Government of India. The main reason assigned for the Secretary of State's decision in that case being equally applicable to all cases of adoption under the Adoption of Children Act, 1926, and the present legal position being as set out above, I am to suggest that, if there be no objection, the Secretary of State may be moved to issue a general ruling

recognising an adopted child, whose adoption was effected under the said Act, as a child for the purposes of the Passage Regulations in Schedule IV to the Superior Civil Services Rules.

Copy of letter No.S.& G.1723/39, dated the 17th April 1939, from the India Office, London, to the Government of India, Finance Department.

Subject:-Admissibility of passage concessions to the
 adopted child of Mr.T.L.H.Smith-Pearse, I.E.S.

In reply to your letter of the 9th March, 1939, No.F.4(9)R-I/39, I am directed to inform you that the Secretary of State sanctions the opening of a Passage Account for the adopted child of Mr.T.L.H.Smith-Pearse, Indian Educational Service.

With regard to the general question the Secretary of State proposes to take the opportunity when revising Service Rules to make provision in the Passage Rules for the recognition of a child adopted under the Adoption of Children Act, 1926. Until such provision is made, the Secretary of State sanctions the opening of Passage Accounts for children adopted under that Act by Civil Officers and also by Officers falling within the scope of the Military Leave Concession Passage Rules, provided that such children are within the ages specified in the existing Passage Rules.
